ACADEMY
CHARTER SCHOOL
PATERSON**

Harassment, Intimidation and Bullying Policy

The Philip's Academy Charter School of Paterson Board believes that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Since students learn by example, school administrators, faculty, staff and volunteers are required to demonstrate appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying. Harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. Therefore, Philip's Academy Charter School of Paterson will not tolerate acts of harassment, intimidation or bullying.

The Philip's Academy Charter School of Paterson Board expects all students to treat each other with civility and respect and not to engage in behavior that is disruptive or violent. The Board expects students to conduct themselves in keeping with their level of maturity, with a proper regard for the rights and welfare of other students, for school personnel, for the educational purpose underlying all school activities, and for the care of school facilities and equipment.

The standards of character education are an essential component of the Philip's Academy Charter School of Paterson's Code of Conduct. The Board believes that with the appropriate infusion of character education into the school curriculum, modeling of appropriate behavior by adults; support and assistance of students in school, the community and home; our students will demonstrate strong character.

The Board prohibits acts of harassment, intimidation or bullying against any student. School responses to harassment, intimidation and bullying shall be aligned with the Board approved code of student conduct which establishes standards, policies and procedures for positive student development and student behavioral expectations on school grounds as well as at off- site school sponsored functions. The Principal shall be responsible for ensuring the prompt investigation and response to all reports of harassment, intimidation and bullying committed on school grounds and at school activities. In addition, the Principal shall ensure that this policy is applied to incidents of harassment, intimidation and bullying that are committed off school grounds in cases where any such incidents disrupt the school day. The Principal has the right and authority to impose a consequence on a student for conduct away from school grounds that is consistent with the Board's approved code of student conduct, pursuant to

N.J.A.C. 6A:16-7.1 and N.J.A.C. 6A:16-7.6.

This authority shall be exercised only when it is reasonably necessary for the student's physical or emotional safety, security and well-being or for reasons relating to the safety, security and well-being of other students, faculty or school grounds, pursuant to N.J.S.A. 18A:25-2 and 18A:37-2, and when the conduct which is the subject of the proposed consequence materially and substantially interferes with the requirements of appropriate

discipline in the operation of the school. The Board directs the Principal or his designee to develop detailed regulations suited to the age level of the students and the physical facilities of the individual schools.

“Harassment, intimidation or bullying” is defined as any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on school grounds, at any school-sponsored function, or off school grounds, in accordance with law, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students, and that:
